Be sure to include your name, direct contact information and Tax ID or Billing NPI.

Please note that the fact a service has been preauthorized/pre-certified is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member's eligibility and the terms of the member's certificate of coverage applicable on the date services were rendered. Obtaining a benefit preauthorization is not a substitute for checking the patient's eligibility and benefits.
