Provider Claim Summary is an online application in Availity® Essentials that allows providers to view, download, save and/or print the Provider Claim Summary (PCS) online for finalized claims processed by Blue Cross and Blue Shield of Illinois (BCBSIL). PCS reports are available through this application for commercial claims processed after Dec. 12, 2016, and for Medicare Advantage and Illinois/Texas Medicaid claims processed after April 12, 2019.

This application is accessible to existing Availity Administrators and users assigned the **HCSC Reporting** role in Availity. If you are not yet registered with Availity, go to Availity and complete the guided online registration process, at no charge.

Note: To obtain this information on claims not processed by BCBSIL (i.e., Medicare Crossover Claims), users should contact the appropriate claim processing entity directly (i.e., third party vendors, other carriers, etc.).
